## IMPORTANT

**Your music will be sent to your church address. Please get your form to me promptly. It takes several weeks for music to be sent to me and ready to send to you. I’d like to have your music to you by early October. The sooner I have everyone’s form the sooner you get your music.**

All participants are responsible to have the music well prepared. This means already knowing their parts well before coming! A recommended commitment of 30 minutes a day for 5 days a week from the day your music arrives should be sufficient. This preparation is essential. *We look forward to your attendance!*
